PROFILE

AMETEK, Inc.

AMETEK is a leading global manufacturer of electrical and electromechanical products for niche markets. Listed on the New York Stock Exchange (AME) since 1930, AMETEK's annual sales are approaching \$1 billion. Operations are in North America, Europe, and Asia, with about one-third of sales to markets outside the United States. AMETEK is serving its customers with investments in new products, global and market expansion, strategic acquisitions, and operational excellence. The Company's operating groups are Electronic Instruments and Electromechanical.

Rotron

The Electromechanical Group (EMG) is one of the world's largest producers of high-speed electric motor products for original equipment manufacturers (OEMs). In business since 1915, EMG is using its core competencies to enhance its worldwide presence. A business unit of AMETEK EMG, Rotron has facilities in California, New York, North Carolina, and Ohio. Rotron serves the military, aerospace, medical, transportation, office equipment, industrial, and environmental markets worldwide. Rotron supports its customers with more than 650 employees that are organized in three business segments:

- Military & Aerospace Products
- Technical & Industrial Products

Our Military and Aerospace Business Segment

Founded in 1947 as Rotron, Inc., the Military & Aerospace Products business unit provides highly reliable AC and brushless DC motors, fans, blowers, heat exchangers and power conversion devices to military and aerospace customers around the world.

Rotron can provide cost-effective solutions that meet the specific needs of YOUR application by combining:

- Experienced in-house technical support staff and field sales force
- Broadest product line on the market
- Custom design capability
- Existing designs
